

Scotia Village Names New Director of Nursing

Laurinburg

Scotia Village is happy to announce that Paula G. Blackburn has been named to the position of Director of Nursing. Paula brings more than 14 years of experience to her new role at Scotia Village. Most recently she served as the MDS Coordinator for Scotia Village. Previous to that she has worked as a Medical-Surgical Nurse, Lead Orthopedic/Charge Nurse for Surgical Services, Manager of Surgical Services, Director of Nursing for an assisted living community, and Patient/Staff Educator for an acute care facility. In addition to having a BS degree in Nursing from UNCP she also holds certification with the Association of Operating Room Nurses and is affiliated with the American Association of Nurse Assessment Coordinators.

“We are so excited to have someone of Paula’s caliber to fill our Director of Nursing position,” said Clarell Litchford, Executive Director of Scotia Village. She continued, “The Director of Nursing is a vital position within our community and I think Paula is going to do a great job.”

Paula resides in Laurinburg with her husband Randy Blackburn where they are both members of Laurinburg Presbyterian Church.

Scotia Village is a continuing care retirement community located in Laurinburg, NC.
